
GNT SOLUTIONS AS

Bjorhaugslettå 4, 4365 Nærbø
Org. No. 925 236 152

What we do

- Design and development of mechanical, electro & hydraulic equipment e.g. steel structures, machines, special tools, piping, custom units, complex assemblies, one of parts and much more.
- For marine, subsea & land-based applications.
- We deliver our services on customer request, and we develop products & solutions from our own ideas and industrial needs.
- For every project we aim to provide the best solution for our customer. With focus on quality and cost, and we will always deliver on time.
- We are a total supplier with fabrication, machining, assembly & manufacturing capabilities. Necessary documentation and possible certifications are also provided.

- Mobile: 911 31 151
- E-mail:
Eirik@GNTSolutions.no

- Kristian Fotland
- Senior Engineer
- Education:
MSc. Marine- & Subsea
Technology
BSc. Mechanical
Engineering
- Experience 6+ years
- Mobile: 454 43 624
- E-mail:
Kristian@GNTSolutions.no

- Roar Hobberstad
- Design Engineer
- Education:
Technical degree
Certificate of apprenticeship
- Welder
- Experience 8+ years
- Mobile: 959 16 768
- E-mail:
Roar@GNTSolutions.no

How we do it

- We use Autodesk (Inventor) as our CAD software for product design and engineering.
- Dedicated and committed employees and partners.
- Our partners are:
 - Riska Sveis AS
 - Steel Solutions AS
 - KBL Maskinering AS
 - IKM Subsea AS
 - IKM Hydraulic Services AS
 - IKM Subsea Motor Solutions AS

Project references / previously work

- Remotely operated underwater ROV.
- Subsea resident cage (TMS) for ROV.
- Mud recovery without riser (MRR) systems.
 - MRR SPS, MRR 300 – 500.
 - Whim, adapters, piping++
- ROV tooling.
 - Subsea cutting tools, diamond wire saws, ROV operated valves, subsea connectors++
- West Bollsta Hose Reel solution.
- Cement Adapters for wellhead assembled on Neo drill cans for stand-alone wells.
- Subsea data loggers.
- Various winch solutions.
- Fluid systems & skids.
- Baskets & steel frames.
- Lifting equipment.

- Practical experience from on- & offshore industry.

Thank you for your attention

- We are looking forward to working with you.
